## **Sheep Brain Dissection**

Identify each of the following parts on the sheep brain. Use pages 157-161 in the dissection manual to help you. You will be responsible for the identification of these parts on a quiz. Spelling will count. For each part listed, fill in the general function of the part below and label the part correctly on the diagram on the back of this handout. Those with a \* are not labeled on the back but may be included on the quiz! This sheet will be due with your objectives on the test day.
